**3 Bedrooms**  
**2 Baths**  
**Optional Basement**

#### Overview:

The Strattanville ranch has an open concept floorplan with a large living area. It features a large master bedroom with a  $\frac{3}{4}$  bath and lots of closet storage. Another full bath is conveniently located just off of the living room and near the second and third bedrooms. Laundry room with closets completes this well-designed home.

#### Notes:

All floor plans can be customized to fit your needs. We design and construct modular homes to your specifications.

Elevations may include additional builder construction such as porches, garages, decks, etc.
